USING NRDR AS AN ABR PQI PROJECT

If you would like to use one of the NRDR registries as the basis for an ABR PQI project, please refer to the instructions posted for each registry:
CTC: http://www.acr.org/~/media/ACR/Documents/PDF/QualitySafety/NRDR/CTC/ABRPQIprojectCTC.pdf
DIR: http://www.acr.org/~/media/ACR/Documents/PDF/QualitySafety/NRDR/DIR/DIR_ABR_PQI_Description.pdf
GRID: http://www.acr.org/~/media/ACR/Documents/PDF/QualitySafety/NRDR/GRID/ABRPQIDescriptionGRID.pdf
ICE: http://www.acr.org/~/media/ACR/Documents/PDF/QualitySafety/NRDR/ICE/IntroLetterICE.pdf
NMD: http://www.acr.org/~/media/ACR/Documents/PDF/QualitySafety/NRDR/NMD/NmdAbrPqiProject.pdf

If you would like to conduct the project at more than one facility, then there are special considerations when registering:

NRDR REGISTRATION PAGE

FACILITY ID TO WHICH INVOICE SHOULD BE SENT

- Choose one facility to receive the invoice and register that facility first, leaving FACILITY TO WHICH INVOICE SHOULD BE SENT blank.
- When you register the other facilities, enter the facility ID of the first facility in FACILITY TO WHICH INVOICE SHOULD BE SENT.

REGISTRATION PAGE FOR EACH REGISTRY (CTC, DIR, etc.)

NUMBER OF PARTICIPATING RADIOLOGISTS

- For the first facility you registered, enter the total number of radiologists for all facilities. Count each radiologist only once, regardless of the number of facilities at which he or she practices:
  - **CTC** – count only radiologists performing CT colonography.
  - **DIR** – count all radiologists, regardless of specialty.
  - **GRID** – count all radiologists, regardless of specialty.
  - **ICE** – count only radiologists who will participate in the project.
  - **NMD** – count only radiologists performing mammography.
- For your other facilities, enter 0 on all registration pages.

PARTICIPATING PHYSICIANS

- Each participant must be listed on the page for the facility at which he or she is practicing.
- Radiologists practicing at more than one facility should be listed on the registration page for each facility.
- The number entered in NUMBER OF PARTICIPATING RADIOLOGISTS will not necessarily correspond to the number of radiologists listed for each facility.

EXAMPLE

A radiology group has two facilities, Facility 111111 and Facility 222222. Physicians A, B and C all want to do a PQI project using DIR. They all practice at Facility 111111. Physician C also practices at Facility 222222. Physician C also wants to do a PQI project using ICE at Facility 111111. Their facilities should be registered as follows:

FACILITY ID	**NRDR REGISTRATION:** FACILITY ID TO WHICH INVOICE SHOULD BE SENT	**DIR REGISTRATION:** NUMBER OF PARTICIPATING RADIOLOGISTS	**DIR REGISTRATION:** PARTICIPATING PHYSICIANS	**ICE REGISTRATION:** NUMBER OF PARTICIPATING RADIOLOGISTS	**ICE REGISTRATION:** PARTICIPATING PHYSICIANS
