

Communication Curriculum Simulation Post-Survey

Regarding your simulation experience today, please rate the following statements:

1. Practicing my communication skills boosts my ability to perform/communicate.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
2. Educational sessions using medical simulation are enjoyable.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
3. It is OK to make mistakes using simulated patient experiences.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
4. I receive useful educational feedback from the training sessions.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
5. The acting patients simulate situations realistically.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
6. Practicing my communication skills boosts my self-confidence.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable

7. Practice sessions in the simulations are a good use of my time.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
8. Practice sessions in communication skills should be a required component of clinical training.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
9. Practicing my communication skills with simulated patient encounters helps me become a better doctor.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
10. The controlled environment in the simulations helps me focus on challenging patient interactions.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
11. Difficult patient encounters presented in the simulations are engaging.	<input type="checkbox"/> Strongly Disagree <input type="checkbox"/> Disagree <input type="checkbox"/> Agree <input type="checkbox"/> Strongly Agree <input type="checkbox"/> Not Applicable
