

JONATHAN S. LEWIN, MD, FACR

**Professor of Radiology, Biomedical Engineering, Neurosurgery, and Health Policy and Management, Emory School of Medicine and Rollins School of Public Health
Executive Vice President for Health Affairs, Emory University, *Emeritus*
Executive Director, Woodruff Health Sciences Center, *Emeritus*
President, CEO and Chairman of the Board, Emory Healthcare, *Emeritus***

Jonathan S. Lewin, MD, is Professor of Radiology and Imaging Sciences, Professor of Biomedical Engineering, and Professor of Neurosurgery in the Emory School of Medicine and Professor of Health Policy and Management in the Rollins School of Public Health. Until September 2022, he also served as the Executive Vice President for Health Affairs, Emory University; Executive Director, Woodruff Health Sciences Center; and CEO and Chairman of the Board, Emory Healthcare. Dr. Lewin is a national leader in academic medicine strategy and integrated health care delivery and an international scientific leader in interventional and intraoperative MRI.

Prior to his Emory appointment, Dr. Lewin served as the Martin Donner Professor and Chairman of the Russell H. Morgan Department of Radiology and Radiological Science at Johns Hopkins University and the Radiologist-in-Chief at Johns Hopkins Hospital from 2004 until 2016, with secondary appointments as Professor of Oncology, Neurosurgery, and Biomedical Engineering. From 2012-2016 he also served as Co-Chair for Strategic Planning and from 2013-2016 as Senior Vice President for Integrated Healthcare Delivery for Johns Hopkins Medicine. Before joining the faculty of Johns Hopkins, Dr. Lewin was the Director of the Division of Magnetic Resonance Imaging at University Hospitals of Cleveland and Professor and Vice Chairman for Research and Academic Affairs in the Department of Radiology at Case Western Reserve University.

Dr. Lewin received his undergraduate degree in chemistry from Brown University in 1981 and his Doctor of Medicine from Yale University in 1985. Following his internship in pediatrics at Yale-New Haven Hospital and residency in diagnostic radiology at University Hospitals of Cleveland, he completed a magnetic resonance research fellowship in Germany, a neuroradiology fellowship at the Cleveland Clinic, and additional training in head and neck radiology at the Pittsburgh Eye and Ear Hospital.

Dr. Lewin is a pioneer in interventional and intraoperative MR imaging and has published more than 200 peer-reviewed scientific manuscripts and over 70 book chapters, reviews, commentaries, and other invited papers on topics including the basic science and clinical aspects of interventional MR imaging, functional MRI, head and neck imaging, MR angiography, and the imaging of acute stroke.

Dr. Lewin holds 28 U.S. and seven international patents and has been PI or co-PI on NIH and other federal and state grants with awards of more than \$54 million, as well as a co-investigator on a number of other grants and projects. He is a Fellow of the International Society for Magnetic Resonance in Medicine and of the American College of Radiology and has lectured around the world on a number of topics in magnetic resonance imaging, interventional radiology, neuroradiology, and leadership in academic medicine. He has served on numerous national committees, editorial boards, and grant review groups for foundations and the NIH, and on the task force on minimally invasive cancer therapy for the National Cancer Institute. Dr. Lewin is past president of the Society of Chairs of Academic Radiology Departments, the American Roentgen Ray Society, the Association of University Radiologists, the International Society for Strategic Studies in Radiology, and the Academy for Radiology Research.

Modern Healthcare named Dr. Lewin one of the **50 Most Influential Physicians** of 2017. He was also named one of the **Most Influential Atlantans** of 2016, 2017, 2018, 2019, 2020, 2021 and 2022 by the *Atlanta Business Chronicle*; one of the **100 Most Influential Georgians** of 2018, 2019, 2020, 2021 and 2022 by *Georgia Trend*; one of the **Atlanta 500** by *Atlanta Magazine* in 2019, 2020, 2021, 2022, and 2023; and one of the *Atlanta Business Chronicle's* **Most Admired CEOs** for 2020. He has received **Gold Medal Awards** from three professional societies for distinguished service and contributions to the field of radiology (*Radiology Society of North America, the American Roentgen Ray Society, and the Association of University Radiologists*), and he was the 2019 recipient of the *National Medical Fellowships' Pioneer Award*. He is also a past recipient of the *Radiology Research Alliance Innovation and Leadership Award*, as well as the **Leadership Luminary Award** from the *Radiology Leadership Institute of the American College of Radiology*. In 2019, he was elected a **Fellow** of the *National Academy of Inventors*.
