WHO SHOULD ATTEND
This symposium is designed for primary care physicians, specialists, physician assistants, nurse practitioners, and technologists.

PURPOSE
Are you up to date with best practices in ordering radiology exams and procedures? Are you meeting your performance metrics for radiology ordering? Need utilization tools to meet MACRA requirements? Our expert panel will share best practices for ordering diagnostic and interventional radiology procedures.

EDUCATIONAL OBJECTIVES
Upon completion of this course, participants should be able to:

- Utilize imaging exams and interventions more appropriately as compared to national benchmark volume indices.
- Improve ordering practices for imaging by applying evidence-based appropriateness criteria from national organizations.
- Describe appropriate use of new innovations in radiologic diagnostic imaging and therapeutic procedures.
- Discuss the risks associated with adhering to or departing from established best practice guidelines in a healthcare system.

ACCREDITATION
The University of Texas Southwestern Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CREDIT DESIGNATION
The University of Texas Southwestern Medical Center designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credit(s)™.

This live activity is approved by the American Society of Radiologic Technologists for 7.25 Category A Continuing Education Credits.

CONFLICT OF INTEREST
All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients along with that of their spouses or significant other. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

DISCUSSION OF OFF-LABEL USE
Because this course is meant to educate the participants with what is currently in use and what may be available in the future, there may be “off-label” use discussed in the presentations. Speakers have been requested to inform the audience when off-label use is being discussed.

PROGRAM ACCESSIBILITY
We accommodate people with disabilities. Please call 214-648-3138 for more information, or add requested accommodations to your user profile in the registration site. To ensure accommodation, please register as soon as possible.

The University of Texas Southwestern Medical Center is committed to providing programs and activities to all persons regardless of race, color, national origin, religion, sex, age, veteran status, or disability.

UT Southwestern Medical Center is an equal opportunity institution.
SYMPOSIUM AGENDA – Saturday, May 6, 2017

7:00 a.m. Registration / Continental Breakfast

7:30 a.m. Coffee, Pastries, and Patient Satisfaction

8:00 a.m. Welcome

8:15 a.m. Imaging in the New MAGMA Era

8:30 a.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

8:45 a.m. Multiparameter MRI and MR-urography (Transrectal Ultrasound) Fusion biopsy: A New Paradigm in Prostate Cancer Diagnosis

9:00 a.m. My Patient Has A Known Hct/acr incidental Findings Committee Follow-Up Recommendations

9:15 a.m. Occasional ovarian cysts: What’s next? National Recommendations

9:30 a.m. Panel Discussion

9:45 a.m. Coffee/Tea Break

10:00 a.m. Deep Vein Thrombosis and Pulmonary Embolism: When is a D-Dimer Enough?

10:15 a.m. Ultrasound: An Old Dog with New Tricks

10:30 a.m. Pre-Op Screening Exams?

10:45 a.m. Pediatric Appropriate Imaging for Abdominal Pain

11:00 a.m. CT Colonoscopy: Appropriateness in Screening for CRC

11:15 a.m. Panel Discussion

11:30 a.m. Lunch Break

11:45 a.m. Presentation 1: Population Health and Importance of Screening

12:00 p.m. CT Colonoscopy: Appropriateness in Screening for CRC

12:30 p.m. Panel Discussion

1:00 p.m. Welcome

1:15 p.m. Back Pain: When Clinical Management is Enough

1:30 p.m. Appropriate Imaging of Acute Back Pain & Non-Acute HA

1:45 p.m. Appropriate Use of the Cardiac Computed Tomography Angiogram (Cta) Sastry Alluru, MD, FACR

2:00 p.m. Breast Imaging: When, Why

2:15 p.m. Breast Imaging: When, Why

2:30 p.m. Panel Discussion

2:45 p.m. Coffee/Tea Break

3:00 p.m. Minimally Invasive Radiotherapy Procedures

3:15 p.m. Less Invasive and Less Costly Interventional Radiology Procedures

3:30 p.m. Sports Injuries and Treatments: Imaging Solutions

3:45 p.m. Panel Discussion

4:00 p.m. Adjourn

4:15 p.m. Networking Event at Glass Cactus

4:45 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

5:00 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

5:15 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

5:30 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

5:45 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

6:00 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

6:15 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

6:30 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

7:00 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

7:15 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

7:30 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

8:00 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

8:15 p.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

8:30 a.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening

8:45 a.m. Multiparameter MRI and MR-urography (Transrectal Ultrasound) Fusion biopsy: A New Paradigm in Prostate Cancer Diagnosis

SYMPOSIUM AGENDA – Saturday, May 6, 2017

7:00 a.m. Registration / Continental Breakfast

7:30 a.m. Coffee, Pastries, and Patient Satisfaction
Sarah McKinnon, Director of Organizational Development & Training

Section 1: Diagnostic Dilemmas

8:00 a.m. Welcome
Cynthia Brown, MD

8:15 a.m. Imaging in the New MACRA Era
Neil M. Rofsky, MD, FACR

8:30 a.m. To Order or Not to Order the Prostate Specific Antigen Test: Current Recommendations for Prostate Screening
Claudia Artz, MD

8:45 a.m. Multiparametric MRI and MRfUS (MRfUS=TransRectal Ultrasound) Fusion Biopsy: A New Paradigm in Prostate Cancer Diagnosis
Daniel Costa, MD

9:00 a.m. My Patient Has a New CRT: Is My Video Intraoperative Video Truly Useful? CTR Recommendations
Alberto Diaz de Leon, MD

9:15 a.m. Occasional Varican Cysts: What’s the Next? National Recommendations
April Bailey, MD

9:30 a.m. Panel Discussion
Ivan Pedrosa, MD - Moderator

9:45 a.m. Coffee/Tea Break

Section 2: Under Utilized, But Appropriate Diagnostic Strategies

10:00 a.m. Deep Vein Thrombosis and Pulmonary Embolism: When is a D-Dimer Enough? Andra Blomkalns, MD

10:15 a.m. Ultrasound: An Old Dog with New Tricks
David Feitzen, MD

10:30 a.m. Pre-Op Screening Exams?
Eric Zeikus, MD

10:45 a.m. Pediatric Appropriate Imaging for Abdominal Pain
Jeanne Kwan, MD

11:00 a.m. CT Colonoscopy: Appropriateness in Screening for CRC
Vanessa Yuen, MD

11:15 a.m. Panel Discussion
Neil M. Rofsky, MD, FACR - Moderator

11:30 a.m. Lunch Break

11:45 a.m. Presentation 1: Population Health and Importance of Screening
Mack Mitchell, MD

12:15 p.m. Presentation 2: Are we at Risk by Following ACO Guidelines
Janet Porter, AT, Associate Vice President of Legal Affairs

12:30 p.m. Panel Discussion
Ivan Pedrosa, MD - Moderator

Section 3: Addressing National Trends in Overutilized Imaging

1:00 p.m. Non-Acute Headache: When Clinical Management is Enough
Alison Lecker, MD, PhD

1:15 p.m. Back Pain: When Clinical Management is Enough
Carlos Bagley, MD

1:30 p.m. Appropriately Imaging of Acute Back Pain & Non-Acute MA
William Moore, MD

1:45 p.m. PET Imaging and Cardiac Stress Testing
Rathan Subramaniam, MD, PhD, MPH

2:00 p.m. Appropriately Use of the Cardiac Computed Tomography Angiogram (CA)
Asheh Abbara, MD, FACR

2:15 p.m. Breast Imaging: When, What, Why
Emily Eads, MD

2:30 p.m. Panel Discussion
Neil M. Rofsky, MD, FACR - Moderator

2:45 p.m. Coffee/Tea Break

Section 4: Minimally Invasive Radiology Procedures

3:00 p.m. Radiologic Interventions for Acute Back Pain
Edward Stohl, MD

3:15 p.m. Less Invasive and Less Costly Interventional Radiology Procedures
Alison Palumbo, MD

3:30 p.m. Sports Injuries and Treatments: Imaging Solutions
Aneesh Chhabra, MD

3:45 p.m. Panel Discussion
Cynthia Brown, MD - Moderator

4:00 p.m. Adjourn

4:15 p.m. Networking Event at Glass Cactus

4:45 p.m. Symposium Adjourn
