I have students that participated previously in Radiology- TEACHES and/or STARS. Do they need accounts?	2
My student is having trouble logging in. Who do I contact?	2
How do I track my students' progress and see their scores?	2

Our site is registered for the program. What do I need to do next?

1. Register your students for the program using the [Program & Practice Management](#) application.
2. Email your students the welcome email to your students. An email template will be provided for ease of use that includes the login information and links.

I have additional students or monthly students rotating through an elective, how do I get their accounts created?

Register your students for the program using the [Program & Practice Management](#) application.

I have students that participated previously in Radiology- TEACHES and/or STARS. Do they need accounts?

No, if students already have accounts created, do not submit them again. This will cause duplication account issues and the student will have trouble logging in.

My student is having trouble logging in. Who do I contact?

Contact radiologyteaches@acr.org for assistance.

How do I track my students' progress and see their scores?

Faculty has the ability to track and monitor their students' progress in the activities as well as view their scores.

1. Log into the education portal
2. Click the Reports link on the top left menu bar.

The screenshot shows the Radiology TEACHES portal interface. At the top left, there is a navigation bar with the following items: 'Create Case', 'Reports', and 'Admin'. A red arrow points to the 'Reports' link. The main content area is titled 'Portal Assignments' and contains a table with the following data:

Assignment Name	Course	Category	Start Date	End Date	Status
Radiology TEACHES Introductory Information	General Radiology - TEACHES	Introduction	07/16/2018	06/30/2020	Completed
Radiology TEACHES Pediatrics Simulation Cases	Core Clinical Clerkship Modules	Pediatrics	07/16/2018	06/30/2020	In Progress
Radiology TEACHES Family & Community Med Simulation Cases	Core Clinical Clerkship Modules	Family & Community Medicine	07/16/2018	06/30/2020	In Progress
Radiology TEACHES Neuro Simulation Cases	Core Clinical Clerkship Modules	Neurology	07/16/2018	06/30/2020	Not Started
Radiology TEACHES Internal Medicine Simulation Cases	Core Clinical Clerkship Modules	Internal Medicine	07/16/2018	06/30/2020	In Progress
Radiology TEACHES OB/GYN Simulation Cases	Core Clinical Clerkship Modules	Obstetrics & Gynecology	07/16/2018	06/30/2020	In Progress
Radiology TEACHES Surgery Simulation Cases	Core Clinical Clerkship Modules	Surgery	07/16/2018	06/30/2020	In Progress
Radiology TEACHES Psychiatry Simulation Cases	Core Clinical Clerkship Modules	Psychiatry	07/16/2018	06/30/2020	Completed
Radiology TEACHES Choosing Wisely Educational Topics	Radiology Teachers	Choosing Wisely	07/16/2018	06/30/2020	Not Started
Radiology TEACHES Simulation Cases	General Radiology - TEACHES	Simulation Education Cases	07/16/2018	06/30/2020	In Progress
Radiology TEACHES Post-Assessment	General Radiology - TEACHES	Post-assessment	07/16/2018	06/30/2020	Not Started
Radiology TEACHES Pre-Assessment	General Radiology - TEACHES	Pre-assessment	07/16/2018	06/30/2020	In Progress
Stars_Red_TEACHES	General Radiology - TEACHES	Simulation Education Cases	03/11/2019		Not Started

3. On the Reports tab, Faculty can view the status and reports available:

- Click on the colored status for each activity to view the list of students in that category.

- Click on the Users icon to open the list of student individual scores.

- Click on the Report icon to view the various reports (individual and institution).

- Use the Export button to export selected data.
