

Wrap-up

National Summit on Peer-Learning
January 10, 2020

American College of Radiology

Thank you

- Jonny Kruskal, MD, PhD
- Beth Israel Deaconness Medical Center
- Harvard Medical School
- American College of Radiology
 - Mythreyi Chatfield, PhD
 - Dina Hernandez
 - Nicole Vega
- All speakers
- All participants, on site and remote

Next Steps

- Panel sessions this afternoon (onsite)
- Please comment:
 - Proposed criteria for peer learning programs
 - General thoughts—what would help you locally?
 - Topics we may have not considered
- White paper
 - Will incorporate comments
- Will submit proposal to ACR for formal recognition of peer learning in modality accreditation

Near Future

- Near-term goals
 - Clarify criteria for peer learning
 - Peer learning recognized by ACR
 - Clarify Joint Commission support
- More practices will embrace peer learning
 - New peer learning leaders will need guidance
 - Need cohesive message for administrative partners
 - Need to articulate different models
 - Need vendor support

Near Future

- Important research topics
 - Comparison of different models
 - Teas out subtle elements
 - (e.g. cases anonymized vs individuals present own misses)
 - Commonly occurring errors
 - Strategies for measurable improvement
 - Measures of individual performance
