Making the Leap: Academic to Private Practice

Dr. Toyin Idowu

Fairfax Radiological Consultants (FRC)
Adjunct Professor, Johns Hopkins Department of Radiology

No Disclosures

Academic or PP – which is for ME?

- Work environment
 - onsite/offsite, solo/group setting, shift flexibility?
- Clinical expectations
 - general or subspecialty
 - work volumes and call
 - research, publication, teaching
- Salary
 - RVU based? Bonus structure
 - benefits (vacation, retirement, educational, CME funds)
- Practice structure/ownership & values

Preparing for Departure

- Review your contract
- Communicate – adequate notice & timing of departure
- Assist in transition plan
- Subspecialty touch up
- Express gratitude

Staying in Touch

- Exchange updated contact information
- Inquire about visiting lectures or board review
- Seek out former colleagues at future conferences and meetings
- Offer your mentorship

"Do you spell 'riddance' with one 'd' or two?"

Good Luck!

Toyin Idowu, M.D.
