

**Gaurab Bhardwaj, MBA, PhD**

Gaurab Bhardwaj, an associate professor of management at Babson College in Massachusetts, teaches courses in strategy, decision making, and problem solving in executive education, MBA and undergraduate programs. He has received the Deans' Award for Excellence in Teaching across all programs and the Aspen Institute's Faculty Pioneer Award in 2016.

Using field research and narrative methods, Gaurab investigates how companies and societies solve big, difficult problems. He has published journal articles, book chapters, reports, and cases.

Gaurab has a PhD in business administration from the University of Pittsburgh and an MBA from Northeastern University.
