

Now there are *TWO* ways to Image Wisely®:

Computed Tomography Nuclear Medicine

IMAGE WISELY®

Radiation Safety in
Adult Medical Imaging

imagewisely.org |  

New nuclear medicine radiation safety resources now available. Visit ImageWisely.org to discover all the new information about dose reduction ... image optimization strategies ... and quality patient care — developed by and for physicians, medical physicists and imaging technologists in nuclear medicine.

Nuclear medicine physicians, radiologists, medical physicists and imaging technologists can join thousands of medical imaging professionals who have pledged to optimize the radiation dose delivered to each patient.
Pledge today at imagewisely.org.
